SCHMETZ INSIDE

VERITAS Quick-Start-Kit

JUST GET STARTED

The Quick Start Kit contains everything you need to get sewing right away. The versatile darning and embroidery foot leaves you free to concentrate on the more important features. Embark on your first sewing project immediately with 12 different thread colours, 10 bobbins, tape measure, scissors, 5 needles and 10 magic clips to round off this full package of accessories.

With needle ABC

In the SCHMETZ Needle ABC you will find important tips for applying the right needle

5 Schmetz universal needles

with slightly rounded tips that are suited for working most popular fabric types

12 x 200 m Ackermann universal thread

in a range of colours for a range of applications

Fabric scissors

The VERITAS Fabric Scissors is convenient for all fabric types. Its steel blades handle even heavy fabrics effortlessly

Darning and embroidery foot

This foot is especially made for embroidery, free-hand and normal quilting, darning and mending

1.5 m tape measure

10 plastic bobbins

10 Magic Clips

With the Magic Clips, you finally have the possibility to fasten oilcloth, canvas, leather, etc. without creating holes with fixing pins.
